CHILE

TW 5 x 20 FEMALE

*Blend: 60% Cabernet Sauvignon + 20% Syrah + 20% Carignan.
Vintage 2010.*

Valley: Maipo, Cachapoal and Maule

This wine was made jointly by 5 female Chilean Winemakers
*Cecilia Torres, Irene Paiva, Cecilia Guzmán, Macarena Morandé
and Ana María Cumsille*

“We were looking to develop a proposal with identity and character, a style of wine that somehow could represent the creativity of female Chilean Winemakers. Its structure is Cabernet Sauvignon which allowed us to potentiate the elegance and obtain an “alive” wine in its final blend.

The idea was to make a wine with enough concentration, well balanced, fresh and with good acidity. We developed a proposal, turning away from the enological aestheticism, reason why we inclined not to have a pretentious wine but an honest, solid and franc wine”.

This is a “seductive” wine.

18 Months in French Oak
Alc by Vol: 14,3°
pH: 3,39
Total Acidity (H2 SO4): 3,75 g/lit

TOPWINEMAKERS®

CHILE

TW 5 x 20 MALE

Blend: Blend: 75% Syrah + 14% Petit Syrah + 5% Petit Verdot + 6% Cinsault.

Vintage 2010.

Valley: Limari, Aconcagua, Leyda, Maipo and Maule

This wine was made jointly by 5 Chilean Winemakers

Marcelo Retamal, Felipe Muller, Francisco Baettig, Rafael Undurraga and Rafael Tirado

“Our intention was to obtain a Fibrous wine, that could be fresh and low in tannins. The base is Syrah and this characteristic is what we most cared for.

Our determination was to create a wine with nerve, personality and good concentration, identifiable for its aromatic proposal. We left away from the heaviness and maturity. It is a wine with a profile that respects acidity, a clean wine”.

A wine with “tension”.

18 Months in French Oak

Alc by Vol: 14,4º

pH: 3,56

Total Acidity (H2 SO4): 3,43 g/lit

CHILE

TW 100 Barrels Cabernet Sauvignon

Vintage 2011.

Valley: Elqui, Limarí, Casablanca, Aconcagua, Maipo, Cachapoal, Colchagua, Curiicó and Maule

One Hundred Wineries in One Unique Wine 100 Wineries, 100 Winemakers, 100 Barrels = 1 wine

What is most particular is that each one represents a 1% in the final blend, Each wine company delivered 1 Barrel of Cabernet Sauvignon not yet blended according to each ones style, valley and kind of barrel used all from the 2011 Harvest.

“A Chilean Cabernet Sauvignon, with a medium body, alive and fresh. A complement between spices and intensity marked by fresh red fruit. Where you can distinguish elegance, a wine with deepness and fine tannins, harmonious and with balanced wood. Not too thick, rich in hues, friendly and concentrated”.

Chile in one bottle

18 Months in French Oak
Alc by Vol: 14,5º
pH: 3,52
Total Acidity (H2 SO4): 3,71 g/lit

TW 50 Barrels Carmenere

Vintage 2012

Valley: Limarí, Aconcagua, Maipo, Cachapoal, Colchagua, Curicó and Maule

Fifty Wineries in One Unique Wine

50 Wineries, 50 Winemakers, 50 Barrels = 1 wine

“This wine integrated for the very first time in one bottle the best fifty wineries of this emblematic variety for our country.

The challenge was to make an authentic and modern Carmenere of Chile, a wine with great expression, fresh fruit and spices, which will respect some herbal notes which are characteristic, “a wine that will not exhaust”, of very good structure with a balanced contribution of wood that helps perceive the elegance, vibrant acidity and velvety mouth”.

A Historical Carmenere. A Wine to celebrate twenty years of the Re-Discovery of Carmenere in Chile.

18 Months in French Oak

Alc by Vol: 13,9°

pH: 3,50

Total Acidity (H2 SO4): 3,61 g/lit

CHILE

TW 3 Axis of Chile

CABERNET SAUVIGNON

Andes Mountain

Vintage 2013

Valleys: Maipo, Cachapoal and Colchagua.

3 Wines which reflect the Diversity of Chile

30 Wineries, 30 Winemakers, 3 Wine Districts = 3 Unheard of Wines Chile is a long and thin country, one where the Andes range and the Pacific Ocean are almost at sight, this is how the idea was born of making 3 different wines from 3 large vinicultural areas like a journey which invites you to cross Chile from North to South.

We made 3 wines which talk about their landscape: a Cabernet Sauvignon which reflects the character of our mountain range, a Carmenera that represents the generosity of the valleys between the mountain ranges and a Syrah that shows the influence of the coastal range in our wines. 3 unique and different wines, 3 identities, 3 original and creative approaches which give us flavours, textures and their own styles that allow us recognize the characteristics and personality of each Axis- Area.

Concept: An expressive wine with good structure, a fresh wine, where the red and black fruits are highlighted together with the spiciness'. To the mouth the tannins are soft / velvety, great balance in wood. An elegant wine with good acidity, long and juicy, very deep.
"a Cabernet Sauvignon easy to understand and friendly".

18 Months in French Oak

Alc by Vol: 14,5º

pH: 3,56

Total Acidity (H2 SO4): 3,41 g/l

TW 3 Axis of Chile

CARMENERÉ

Middle Valleys

Vintage 2013

Valleys: Maipo, Cachapoal, Colchagua, Curico_Maule.

3 Wines which reflect the Diversity of Chile

30 Wineries, 30 Winemakers, 3 Wine Districts = 3 Unheard of Wines
Chile is a long and thin country, one where the Andes range and the Pacific Ocean are almost at sight, this is how the idea was born of making 3 different wines from 3 large viticultural areas like a journey which invites you to cross Chile from North to South.

We made 3 wines which talk about their landscape: a Cabernet Sauvignon which reflects the character of our mountain range, a Carmenere that represents the generosity of the valleys between the mountain ranges and a Syrah that shows the influence of the coastal range in our wines. 3 unique and different wines, 3 identities, 3 original and creative approaches which give us flavours, textures and their own styles that allow us recognize the characteristics and personality of each Axis- Area.

Concept: It must have and smell as the typology, a fresh wine, with notorious black fruit. A mature wine but very vivid due to its acidity, wood behind as a complement, elegant, with certain herbal / spicy tones, long in the middle, complex: "a modern Carmenere one that impresses".

18 Months in French Oak

Alc by Vol: 14,3°

pH: 3,60

Total Acidity (H2 SO4): 3,16 g/lit

TW 3 Axis of Chile

SYRAH

Pacific Coast

Vintage 2013

Valleys: Elqui, Limarí, Aconcagua, Casablanca, Leyda and Colchagua.

3 Wines which reflect the Diversity of Chile

30 Wineries, 30 Winemakers, 3 Wine Districts = 3 Unheard of Wines
Chile is a long and thin country, one where the Andes range and the Pacific Ocean are almost at sight, this is how the idea was born of making 3 different wines from 3 large vinicultural areas like a journey which invites you to cross Chile from North to South.

We made 3 wines which talk about their landscape: a Cabernet Sauvignon which reflects the character of our mountain range, a Carmenere that represents the generosity of the valleys between the mountain ranges and a Syrah that shows the influence of the coastal range in our wines. 3 unique and different wines, 3 identities, 3 original and creative approaches which give us flavours, textures and their own styles that allow us recognize the characteristics and personality of each Axis- Area.

Concept: Over anything else it must reflect the cold climate, a fresh wine, with lots of aroma potential, where the highlight are the flowers, acidic red fruits, pepper and black olives. To the mouth smooth tannins, a mineral touch, low in wood. A complex wine, long and juicy, concentrated.
“a vibrant Syrah with nerve”.

18 Months in French Oak

Alc by Vol: 14,4º

pH: 3,40

Total Acidity (H2 SO4): 3,55 g/lit

CHILE

Top Malbec Chile

Malbec

Vintage 2014

Valleys: Casablanca, Maipo, Cachapoal, Colchagua and Maule

A New Expression of Chile

In one bottle 12 Chilean wineries have come together, notably those with the highest reputation and prestige to produce a high quality Malbec. In this manner “a unique Malbec developed in conjunction with several wineries”, was created with each brand contributing the same percentage for the final blend. The result is an authentically Chilean Malbec, an innovative wine, a first of its kind which brings together twelve different wineries from different valleys, with different strategies and enological approaches under a same concept. This “Original Malbec” strengthens a creative and diverse Chile, capable of competing with the best Malbec’s of the world. This Chilean Malbec also presents us, with a new style of wine which highlights a country full of nuances and complexities.

18 Months in French Oak

Alc by Vol: 14,2°

pH: 3,42

Total Acidity (H2 SO4): 3,04 g/lit

TOPWINEMAKERS®

CHILE

Top Blend Chile

Vintage 2015

Valleys: Elqui, Limarí, Aconcagua, Casablanca, Maipo, Cachapoal, Colchagua and Maule.

The Point of Harmony

In one bottle 12 Chilean wineries have come together from 8 different valleys, there are 12 different enological styles present, each Brand distinguishes itself for a specific variety. In other words, the one which best represents its quality; in this manner each one contributes a variety different to the other one. This unique Chilean Blend different to anything in the world was an unprecedented challenge with regard to integrating different aromas, flavors, and textures. This is a challenge to bring together diversity. This high quality wine strengthens and reflects all the maturity and creativity being experienced by Chilean Enology which is presently proposing : “Wines with character, balanced and fresh, wines which are direct, remarkable, and are provocative: wines which are defiant”.
